

# HOW CAN YOU TAKE STEPS TO BE SAFE?

## If you see a downed wire:

- First and foremost, stay away from the downed wire and warn others. Call BGE or tell an adult to call BGE immediately at **877.778.2222** and we will come to fix the problem.
- Never assume a wire is safe to touch.
- If a downed wire comes in contact with a car that you're in, stay in the car until help arrives. Warn others not to touch the car.
