

An Exelon Company

BE AN ELECTRIC SAFETY SUPER HERO

Your friend Kyle wants to fly his kite near overhead power lines. You know that is dangerous. Using the space below, write a safety message you'd tell Kyle and other kids about playing near electric equipment.

SAFETY TIPS:

- > Stay at least 10 ft away from all overhead power lines.
- > Avoid flying kites, model airplanes or other toys near power lines.
- > If a toy gets caught in a power line do not try to remove it. Call **1-800-685-0123**.
